

How to create your password & sign in

Your portal opens straight to the sign-in screen — but you don't have a password yet, so you set one with **"Forgot your password."** About two minutes, just once. Your email is already on file, so it's usually filled in for you.

1 Click "Forgot your password?"

On the sign-in screen, click **Forgot your password?** — above the password box, on the right. **Skip magic link & Google.**

The screenshot shows the sign-in interface. At the top is the JK logo. Below it, the text "Sign in to access your Client Portal" is centered. There are two input fields: "Email" and "Password". The "Email" field has a callout "1 Click this" pointing to it. The "Password" field has a callout "Forgot your password?" pointing to the text "Forgot your password?" located to its right. Below the password field is a "Sign in" button. Underneath the button is the word "Or". At the bottom, there are two buttons: "Sign in with magic link" and "Sign in with Google".

2 Get the reset link

Check your email is shown, then click **Get reset link**.

The screenshot shows the "Reset your password" screen. At the top is the JK logo. Below it, the text "Reset your password" is centered. There is an "Email" input field. To the right of the input field is a callout "2 Click this" pointing to a "Get reset link" button.

3 Set your password & you're in

Reset Client Portal Password

Reset password →

Look for an email from **noreply@accountingclientportal.com**, subject **"Reset Client Portal Password"** — it won't mention "Double," that's normal. Check spam/promotions too, open it, and choose a password you'll remember.

From now on, open the same page and sign in with your email and this password (in the **Password** box).

Didn't get the email? Wait a few minutes and check spam/promotions. Still nothing? Just reply to us and we'll send a fresh link directly.
